# TESTIMONIALS

*Bob is an incredible real estate agent! We just closed our second house with him. Bob's vast knowledge and experience were vital to us buying the home under asking! He is detailed and thorough and uses his background as a contractor, inspector, and assessor to give the best recommendations possible. Most importantly, Bob is honest and transparent and doesn't sugarcoat things for his benefit. He truly has your best interests in mind. I give Bob my highest recommendation and will use him to buy and sell houses in the Indianapolis area in the future. You will be right by using Bob for all your real estate needs!*

*- Brian K from Brownsburg, IN -*

*We enjoyed working with Bob. He has a lot of experience and was willing to leave his local area to help us with our purchase. We are out of state, so we had to depend on Bob greatly, including trusting his judgment on the home's condition. He was sincere and even gave us a hand-drawn house layout so we could truly understand it. I can not thank him enough. He made the process very easy and stress-free.*
